WELCOME MESSAGES

It is a pleasure to know that the Entrepreneurial Network of the College of Management Sciences (TEN-CoMS) has become progressive in the incubation process of the entrepreneurial projects of our students. A big thumbs up for the whole team of TEN-CoMS.

Our goal is to empower the startup ecosystem of Pakistan. Here, at KIET (Karachi Institute of Economics & Technology), we ensure the provision of quality education that will enable the students for significant contributions both towards the development of their professional careers as well as the progress of their country. Our office space, investment programs & international network facilities the incubates to achieve their entrepreneurial excellence.

Dr. Adnan Anwar
Director CoMS

Welcome to TEN-CoMS, we know that Entrepreneurship is one of the crucial building blocks of any economy these days, and following this approach we have launched TEN-CoMS, a Startup Incubation supported by the Department of College of Management Sciences. To keep the excellence of startups TEN-CoMS is providing intensive mentoring sessions, workshops, and webinars of relevant field related entrepreneurial experts and professionals. We also provide mentors to the students to polish their journey of entrepreneurial venture with professional guidance, along with the assistance in procuring seed funding and equity capital. TEN-CoMS follows “Fail-Fast” attitude. Speed is the key to surviving and excelling in the fierce competition in the market
